### **WHAT IS YOUR UNIQUE SELLING PROPOSITION?**

Abilene Advisors SA offers governance, risk management and compliance (GRC) advisory services. Our advisors are experts in information security, data protection, business continuity and QHSE. Our clients trust us for their audits, training and to assist them in setting up good practices and implementing ISO standards or other standards & regulations.

We follow a rational, agile, and pragmatic approach to bring value and minimize impact on our clients' operations.

Abilene Academy® is the Education & Training Division of Abilene Advisors SA, providing high level professional training and preparation for certification exams. Our trainers are all subject matter experts and advisors in the domains they teach. Our courses are all intensely engaging and interactive, delivered online, in our premises

or in those of our customers, or a mix of all delivery modes. The course can be standard or bespoke, in strict alignment with the requirements of world-class certification bodies, for which Abilene Academy® has acquired the highest partnership ranking.

### **WHAT IS YOUR SPECIAL OFFER ONLY VALID FOR Risk-In 2020 PARTICIPANTS?**
